# Garner-Hayfield Junior High Building Time-Capsule Presentation Highlights May 25, 1976

E.W. Harder, Garner-Hayfield elementary principal and Shelly Draper, bicentennial committee member, put the shovel to dirt readying the ground for the time capsule which will be buried and unearthed in the year 2026. Various items will be buried representing this era. When unearthed, future generations can read how life was back in the 20th century. [Leader Photo]
