15%-25% LESS than comparable rods

Comp. 13.64

10²³
1½-in. diam.
28-48 in. long

These traverse rods are similar in quality and design to higher priced rods shown in color on pg. 1089, '76 Spring Bk.

A, B Elegant show-offs—outstanding for beauty and durability, especially at these low prices! Both styles come with easy-to-attach brackets for mounting stationary sheers behind draperies (curtain rods sold pg. 1088, '76 Spring Bk.). Heavy gauge steel rods are 1½-in. diameter—won't sag or bend under heaviest draperies. Easy to operate—plastic glides move effortlessly on Teflon®-coated, hidden track. Stay-lovely finishes won't discolor. Telescoping extensions. Brackets project 2½ to 6½ inches.

(A) Antiqued fluted rods in 3 finishes. Graceful molded finials add about 9 inches to overall lengths stated. State finish number: • 442 antique white • 29 antique brass • 28 bright brass. Order from chart below.

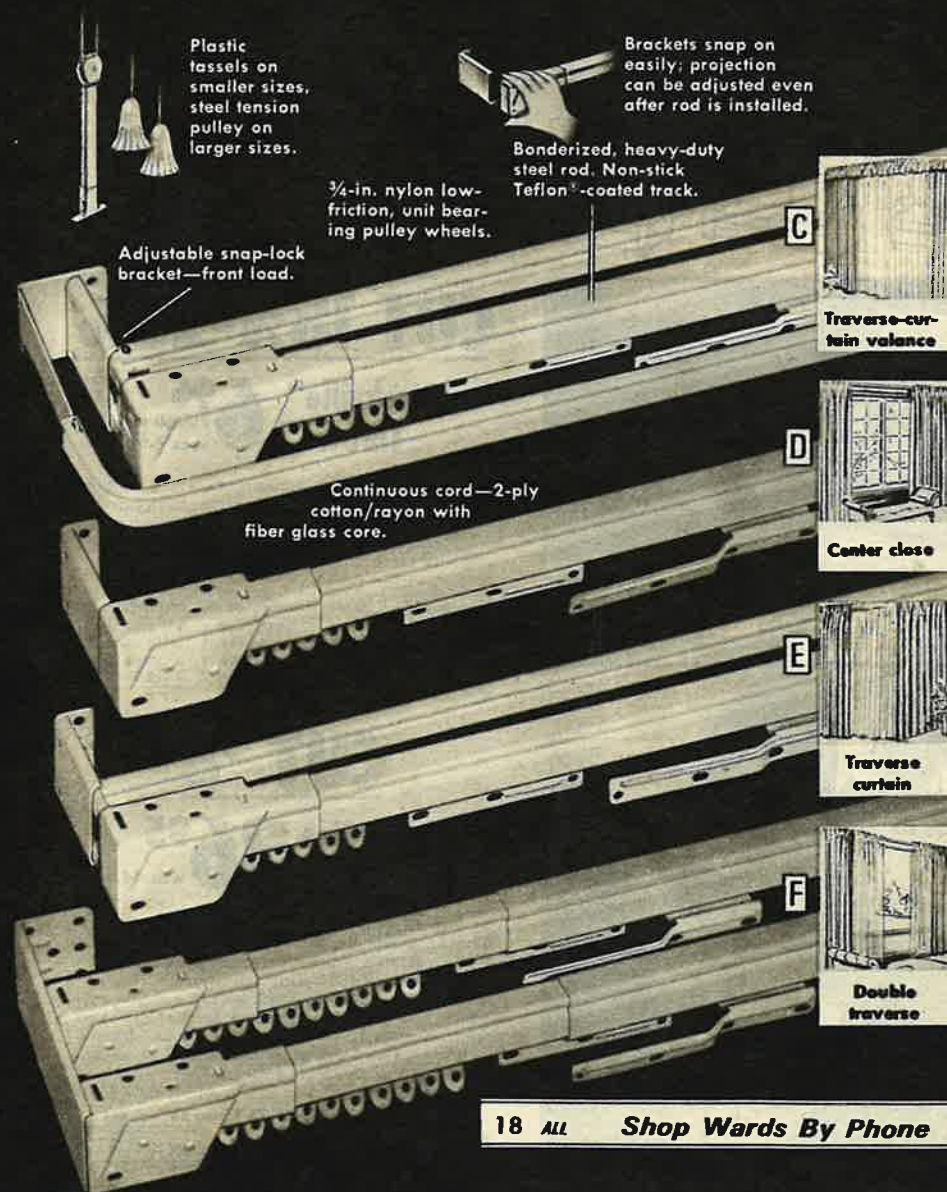

(B) Wood-look fluted rod. Walnut-finished steel. Matching wood-look finials add about 9 inches to overall lengths stated. Order from chart below.

Exclusively woven ninon sheers

A-C Exclusive because... they're woven with more threads per square inch—172 instead of the usual 140 for a softer, lovelier drape. 100% polyester ninon sheers are machine washable (warm), tumble dry, no-iron. See How to Measure pg. 485, '76 Spring Book.

SAVE 20% on mattress pads and covers, pillow protectors and pillows

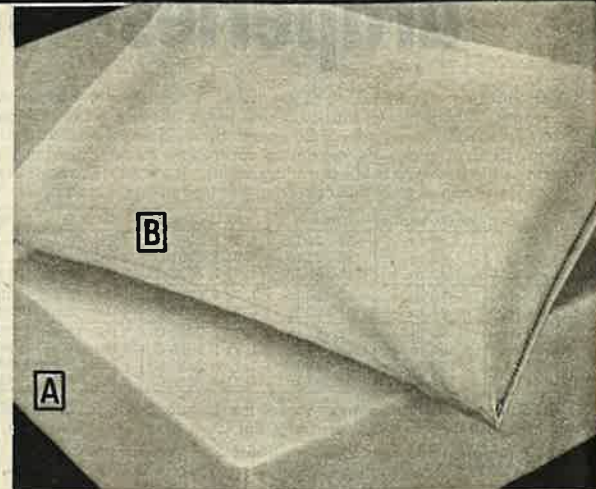

Quiltrasonic® "custom fit" stitchless quilted nylon pad **7¹⁶** was twin 8.95

The newest concept in fitted pads—made an entirely different way! Both the top and sides are a fully quilted, one piece unit that hugs the mattress—won't slip or shift. 100% nylon knit cover with soft polyester fiberfill batting. Stitchless quilted—fabric is bonded to the filling without threads so it's super strong—won't snag or unravel! Machine wash, warm; tumble dry. Maximum shrinkage 2%. White only. Prices are reduced from '76 Spring Book, page 1035.

Your choice—any table on this page at our special low price! Matching cocktail tables and commodes, in three popular styles.

Exceptional buys! At Wards remarkable price, accent your room with several matching tables: square or hexagonal commodes, cocktail tables. All look like richly grained and shaded wood. Their plus? Veneers are really vinyls that never need waxing or polishing; a damp-cloth-wipe keeps tables lustrous. All offer cabinet storage, behind polystyrene doors resembling carved wood. Designed of wood products, square tables measure 26x26x20 in. high; hexagonal tables, 28x28x20 in. high; cocktail tables a full 60x20x15 in. high and feature bottom shelf for magazines, accent pieces.

REGAL-FIRM INNERSPRING has 10 Comfort Features:

1. Equal, uniform spacing of coils distributes weight evenly throughout mattress, regardless of body weight. 2. Double tempered heavy-gauge steel coils give superior support; heavy-gauge border wire maintains firm mattress edges. 3. Golden grid platform—an all-over wire mesh platform—supports and distributes weight from shoulder to knee. 4. Dura-bilt insulation—a layer of tough fiber—firms mattress. 5. Layers of pre-compressed cotton felt and fiber prevent feel of coils, insure relaxation. 6. Quilt-to-foam surface—silken-look gold-color damask cover is quilted to a ¾-in. thick layer of polyurethane foam. 7. Flanged panels keep cover taut, prevent shifting. 8. Spring-action edge supports (10 in full size) maintain firmness to prevent edge-sag. 9. Four contoured corner supports reinforce edges. 10. Multi-torsion support foundation.

REGAL-FIRM ARISTO-FOAM® has 7-in. Deep Comfort:

Aristo-Foam® (urethane foam) conforms to body weight and shape more readily than polyurethane foam; has 100's of tiny air holes for air circulation, is odorless, non-allergenic. Mattress topped with layers of polyester fibers and polyurethane foam quilted to polyester/ rayon damask cover. Quilted on both sides, mattress is reversible. Steel, coil-type foundation has 81 coils in full size. Cut from Spring Gen., pg. 886.

Scientific calculator has bracket/parentheses Perfect for students, sensibly priced!

ONLY 32⁴⁷

SCIENTIFIC FUNCTIONS: Trigonometric functions (sin, cos, tan) and their inverses (arc sin, arc cos, arc tan)—select answer display in radians or degrees; natural and common logarithms (log, ln) and anti-logs (e^x and 10^x); exponentiation (y^x), squares (x²), square roots (√x), reciprocals (1/x) and pi (π).

MEMORY: Storage and sigma memory system with recall key

OPERATION: Algebraic logic—work the problem as you say it. Bracket/parentheses keys enter and solve equations as written, eliminating separate, intermediate steps. Number entry in either floating decimal point (full 8-digit LED display when working with floating point) or scientific notation (5-digit mantissa with sign, 2-digit exponent with sign). Convert key converts display from one system to another.

BASIC FEATURES: 4 functions (+, -, X, ÷) plus full chain calculation with any function sequence. Clear/clear entry key; entry and answer overflow. Abt. 5½x2¾x7/8 inches. Case included, order 9-volt battery below.
67 E 8710 LS—Ship. wt. 7 oz. 32.47
AC adaptor uses 110-120v, AC current.
67 E 8711—U.L. listed. Wt. 6 oz. 4.75
60 E 75004—Heavy duty 9v. battery. Wt. 2 oz. 99c

At Wards an LED alarm clock for only

1988

You've seen them advertised. You know.

Light emitting diode display with easy-to-read 1/2-inch tall digits that show you the exact time at a glance. Solid state operation is silent, accurate to 1/60th of a second per month. Clock has 7-minute snooze alarm, 24-hour alarm set, automatic display dimmer. AM-PM indicator. Power failure indicator tells you if you have to re-set the time. Controls are hidden under flip-up top of compact, brown plastic case. 45 E 9781—Wt. 1 lb. UL listed. 120V, AC. Only 19.88

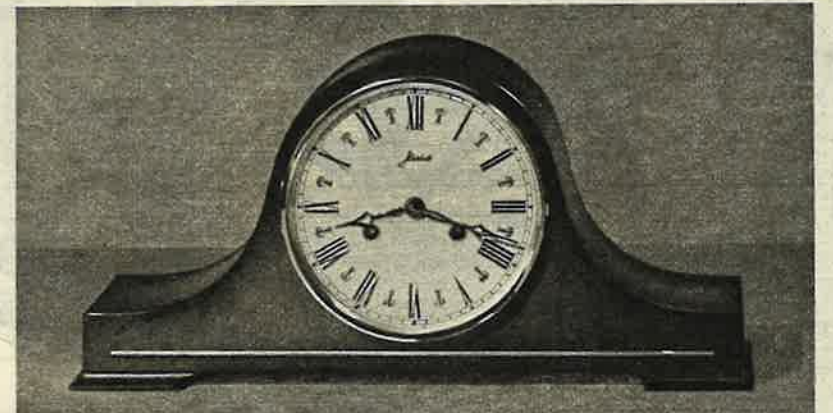

Dutch clock

CUT \$20

Now **\$94**

Unique Zaanse Dutch clock is fascinating to watch in action. At the top, Atlas supports the weight of the world; the pendulum, a man on a horse, races time. Polished brass movement is visible through glass windows at the sides. And, hear those chimes! Bell chime counts the hour and sounds the half hour. Clock has dependable 8-day weight-driven movement, hand rubbed solid wood case with heavy brass accents, massive solid brass teardrop weights. About 19 in. high. From Holland. Was \$114 in '76 Spring Book, pg. 503. Wt. 14 lbs. 45 E 8456 MS. now 94.00

SAVE \$15 Napoleon style mantel clock **69⁹⁹**

Mellow tone rods count each hour, strike the half hour. 8-day mantel clock from West Germany has Roman numeral dial, glass door, front key wind. Beautifully veneered hardwood case, 16x8 1/2 in. high. State finish number: 99 walnut or 97 mahogany. L 45 E 9750 LS—Ship. wt. 9 lbs. Was 84.99 in '76 Spring, pg. 502. now 69.99

Napoleon style mantel clock like above with Westminster chimes. Melodic chimes increase each quarter hour to a full 4 bars and count the hour. State finish number, see above. L 45 E 9751 LS—Ship. wt. 9 lbs. 10 oz. Was 99.99 in '76 Spring, pg. 502. now 84.99

CUT 20% Gold-tone swag clock **25⁹⁹**

Add a golden touch to your walls. Ornate gold-tone clock is attached by brass-plated triple chain swags to a pair of planters fashioned in coach lamp style. 3-pc. group spans a wall area from 4 to 5 ft. wide. Lustrous gold-tone finished polystyrene. Clock about 15x22 in. high. Uses "C" battery, order in '76 Spring Book, page 830. Planters about 9x19 in. high; plastic greenery included. Cut from '75 Fall Book, pg. 1200. 45 E 7554 LS—Clock and planters. Ship. wt. 7 lbs. 8 oz. Was 32.50; now 25.99

Gold colored alodined finish resists wind, rust and corrosion damage

You get great pictures with Wards Air-line antennas. Models 63 E 19224R and 63 E 19225R have extra strength double booms. Only one lead-in wire is needed. UHF/VHF splitter divides signals, then sends each to its proper antenna input. Capped boom ends and pinched elements keep damaging moisture out, resist rusting and eliminate wind noises. Shipped unassembled; easy snap-open construction. Order VHF/UHF mast installation kits from our Big Spring Book, page 928. Prices cut from Spring Book, pg. 928.

Prices in this catalog do not include charges for shipping or handling (unless otherwise stated). See Wards Big Book for rates, or ask the salesperson when you place your order by phone.

9 GOOD REASONS why you should have Wards Charg-all Credit

- 1 It's easy to apply for an account—**
Do it right now . . . there's no waiting. Just fill out the application on the facing page, or simply phone your nearest Wards store. You can also stop in and visit—we'll be pleased to take your application, and you'll be pleased with the convenience of a Charg-all credit account.
- 2 It's easy to use—**
Most of our customers like to do things the easy way. They shop from the Wards catalogs and then phone in their orders. It's easy when you have a Charg-all account—just give your account number to the phone salesperson. Let Charg-all work for you, whether you shop by phone, mail or in person.
- 3 No need to carry large amounts of cash—**
You are not required to put money down on a Charg-all purchase (though you may do so if you wish; often a down payment lowers your monthly payment). There's no time spent in waiting for change, bothering with checks or money orders—just present your card (or give your account number) and say, "Charge it!"
- 4 Only 1 monthly payment—**
You can take care of an entire month's shopping at Wards with only one payment. Charg-all gives you the choice to pay the way that's best for you because it's two accounts in one. It combines the convenience of a regular charge account with the extended terms of a monthly payment account.
- 5 No delivery charges to figure—**
You don't have to be a whiz with figures if you order with Charg-all because we will compute the transportation, tax and handling charges and include them on your monthly statement. If you shop by mail just fill in your account number on the order blank. Charg-all can save you a lot of time.
- 6 Use it in over 2,200 Wards stores—**
Charg-all is a nationwide credit card for virtually everything that Wards sells in all of its stores and catalogs. You can even use it for Wards automotive and repair services and for installation charges.
- 7 Up to 3 years to pay (see Credit Terms on following page)—**
Take advantage of sale prices by budgeting your payments over a period of time in convenient monthly installments. During those months where you choose to pay only part of your balance, a finance charge will be added to your account (see Credit Terms on facing page).
- 8 Itemized monthly statements—**
Each month you receive a detailed billing statement that makes record-keeping easy. Your statement serves as a permanent record of all purchases you make at Wards.
- 9 Merchandise offers enclosed with your statements—**
Along with your monthly statements you'll get special, valuable merchandise promotions that can save you money.

Planning on doing some home repairs or remodeling? Want to get started on that lawn or garden? Wards catalog has the supplies you need. And you can avoid high labor costs, waiting, and feel pride in a job well done. Look for these and other Do-It-Yourself symbols in this catalog. See a special Do-It-Yourself Index in our Spring Big Bk., pg. 471.

Wards policy of Satisfaction Guaranteed is explained in detail in our Big Book.

Wards Charg-all Credit Plan Monthly Payment Table

532.00	19.00		

For balances over \$840, see Credit Terms below.

TERMS OF WARDS CHARG-ALL CREDIT ACCOUNT

You may use your Wards Charg-all account as a regular charge account, with no **finance charge** if the account balance is paid in full before the next billing date, or a **finance charge** at a periodic rate of 1% per month on the average daily balance of the account (**annual percentage rate 12%**). The average daily balance is determined by adding the balance outstanding for each day of the billing cycle and dividing the sum thereof by the number of days in the billing cycle. The balance outstanding on each day is determined by adding to the previous day's ending balance any charges (including any unpaid **finance charges**) and subtracting therefrom any payments or

credits. Minimum **finance charge** not exceeding 50¢ on balances up to \$50. The minimum monthly payments for Charg-all are shown in the table above (minimum \$8). For Charg-all balances above \$840 minimum monthly payment is 1/28th of highest account balance. All payments adjusted to next dollar amount (minimum \$8). These are Wards Minnesota terms. If you live in another state, please ask Wards for credit terms applicable to your state of residence. Charg-all Insurance Protection (CIP) or Charg-all Security Plan (CSP) is available in selected states; see pgs. 467, 470 in the 1976 Spring General Catalog.

Newspaper log roller

A handsome fireplace accessory at an affordable price. Make your own fire logs in minutes and make use of old newspapers at the same time. Unique, hand-operated roller forms newspaper logs that burn for hours. Toss the newspaper logs in the fireplace alone or with wood logs, light, then sit back and enjoy the cozy fire. Shipped to you completely assembled with easy-to-follow instructions and 200 wire ties. Decorative black scroll-design roller looks great beside the fireplace. 25½ in. long, 11½ in. high, 8 in. deep. 83 E 7460—Ship. wt. 6 lbs. only 15.95

230-amp arc welder CUT \$37 Now only 129⁸⁸

- Increased duty cycle lets you weld up to 100% of the time—not just 2 minutes out of 10 as with 20% duty cycle units.
- Continuous amperage control—select the exact setting you need from 25 to 230 amps. Weld with any AC welding rod.

Designed to give you full-range welding and ease of operation. Weld, cut and pierce metal. Also braze, solder, heat to bend and temper metal with carbon arc torch (4) below. Control panel includes simplified electrode guide—just match welding rod size to correct amp setting. Weld with any AC electrode, even low hydrogen rod. Fan-cooled transformer has double-coated, moisture-proof insulation to withstand higher heats and run more quietly. 78 open-circuit volts. For rod sizes 1/16 to 3/16 in. Meets NEMA requirements. UL listed and CSA approved. Case less undercarriage measures approx. 21x14x12 in. (HxWxD). Includes heavy-duty on-off switch, cable and 300-amp ground clamp, electrode holder and cable, full-face helmet, power cord with molded plug, complete instructions. For 230 volts. 60-cycle single phase. Use 60-amp fuse. Top handle not included, order as part of undercarriage (2) below.

5-HP chain drive tiller

CUT \$50 269⁸⁸

For serious gardeners, this 5-HP chain drive walk-behind tiller has 40% more power than 5-HP tillers with conventional belt drive. 4-cycle Briggs & Stratton engine with easy-spin recoil starting is mounted over tines for best balance. A slight tilt on handles, and tiller "walks itself" around corners. Deadman's clutch control provides maximum safety—if you slip or fall, tiller stops instantly. 16 austempered slasher tines have 14-in. diam., adjust to 12, 20 or 26-in. width. Tills to 11 in. deep. Handle-mounted controls. All-steel construction; 10x1.75 tires. Handles all 10 attachments on page 143, Wards '76 Farm Book. Was \$319.95 in '76 Farm Book, page 144. 89 E 1555 R—Ship. wt. 150 lbs. now only 269.88

5-HP gear-drive tiller

CUT \$40 229⁸⁸

Low price and high performance with this rugged 5-HP gear-drive tiller. 4-cycle Briggs & Stratton engine with easy-spin recoil starting for fast, first-time starts—mounted "midships" for best balance between wheels and tines. No straining to back up with safety power reverse—just pull lever to rear. Heavy-duty cast iron gear case uses Timken® roller bearings for toughest shock-absorbing effect. 16 austempered slasher tines, 14 in. diam., adjust to till 12, 20, 26 in. width, up to 8 in. deep. Has handle-mounted controls; 10x1.75 semi-pneumatic tires.

62 FKSCBA Tiller was 269.95, pg. 144, '76 Farm Bk. 89 E 1545 R—Ship. wt. 154 lbs. now 229.88

16-HP tractor with dual-range hydrostatic drive

CUT \$200

with turf tires **\$1799** with ag tires **\$1839**

- ✓ A snap to drive with no-shift, no-clutch transmission
- ✓ Auto-type drive shaft for positive power transfer
- ✓ Power-Lift raises and lowers attachments hydraulically
- ✓ Disc brakes on rear wheels for fast, sure stops

Drives like a car with automatic transmission—one-lever control for forward and reverse. Dual-range hydrostatic transmission has low torque range for tilling and plowing, a high range for mowing and transport. Powerful Briggs & Stratton engine is Synchro-Balanced® to reduce vibration, give a more comfortable ride. Full differential drive for more maneuverability; eliminates lawn damage. Just a nudge of the Power-Lift lever raises or lowers attachments hydraulically—even handles a 300-lb. tiller easily. Extra-long 48-in. wheel base and contoured reinforced frame adds stability on steep hills. Electric start; 12-v. system. Rear wheels can be reversed to increase width to approx. 43 in. Tractor shown has 16x6.50 front, 23x9.5-12 rear turf tires. Tractor prices cut from '76 Farm Book, page 2.

89 E 33185 R—Ship. wt. 770 lbs. Was \$1999. now only 1799.00

Tractor like above, but with BIG 23x10.5-12 agricultural tires on rear wheels. 89 E 33186 R—Ship. wt. 776 lbs. Was \$2039. now only 1839.00

Mower decks and tiller attachments

B 42-in. rear discharge mower for 1-step mowing and clean-up. Triple-turbo-draft design—lifts grass for clean cut. Free-floating; adjusts to ground contour. 89 E 33168 R—Adj. 1½ to 3½-in. ht. Ship. wt. 158 lbs. 329.95

C 42- or 48-in. side discharge mower. Triple-turbo-draft design; full-floating action adjusts to ground contour. Cutting ht. adjusts 1¾ to 4 in. Attaches without tools. 89 E 33161 R—48-in. mower deck. Ship. wt. 156 lbs. 309.95

LIMITED PASSENGER TIRE WARRANTY

Montgomery Ward warrants each of its passenger car tires for a specified number of miles when used on passenger cars or station wagons, except taxis. If your car does not give you this mileage because of: defects in material or workmanship; normal road hazard failure; premature tread wearout (3/32 inches or less remaining) unless due to misalignment; Montgomery Ward will (1) During the first 10% of warranted mileage, replace the tire free. (2) During the remaining warranted mileage, replace it for a prorata charge based on mileage used. Nail punctures repaired free during the entire warranted mileage. For war-

ranty service and adjustments, return tire to any Montgomery Ward branch with the booklet issued at the time of sale or this certificate. Charge after first 10% of warranted mileage based on selling price in effect at the time of return at branch to which returned, including federal excise tax. Passenger tires used on taxicabs, and motor vehicles other than passenger cars are warranted on the same basis against defects in materials and workmanship only.

HI-PERFORMANCE SALE

Headers for cars, trucks and vans

Cyclone® headers offer more than just looks. They increase horsepower, increase gas mileage, improve performance. Cyclones feature matched exhaust ports and unutilized construction with smooth flowing mandrel bends. Seal system between header flange and head plus floating collector flange eliminate gasket seepage and insure a snug fit. Easy to install, ready to perform. Order below. Prices cut from our Big Spring Book, pages 720, 721.

NOTE: Header pictured represents a typical passenger car unit. Truck headers feature different body and flange design.

SAVE \$6 ON WARDS 54 MONTH get away BATTERY!

34⁸⁸
NOW ONLY with your old battery
get away 54 means POWER!

- Powerful—because there's 12% more inside space for lead, acid and plates!
- Powerful—polypropylene case has 20 times the impact strength of rubber cases!
- Powerful—54-month Limited Warranty incl. 20-month free replacement period plus 34 months of prorated protection!

Get Away 54 is the all-season battery because it's specially engineered to give you ample power for dependable starts in any weather, and power to handle accessories like air conditioning, power windows, etc. Shipped wet-charged—ready for installation. Find correct battery type for your car on pg. 707 of our Big Spring Book or measure old battery and order one closest to that size. Order at right. See Warranty below. TRADE IN: Pay full price for your battery. Return the 1.50 allowance coupon included with your battery receipt and your old battery to any Wards branch for your refund. Prices cut from Big Spr. Bk., pg. 705.

See page 707 of Wards Big Spring Book for our complete battery application listing.

Limited Auto Battery Warranty

Montgomery Ward will replace this battery at no cost to the original owner if it fails to accept and hold a charge in non-commercial passenger car use during the Free Replacement Period shown:

FREE REPLACEMENT PERIOD 24 20 16 12 9 6 3 3 Months
TOTAL LIMITED WARRANTY PERIOD 60 54 48 42 36 24 18 12 Months

After this period, to the end of the Total Limited Warranty Period shown, Montgomery Ward will replace the battery, charging only a prorated amount for the time since purchase, based on the current regular selling price less trade-in. Batteries in commercial use are warranted on a similar basis for one-half of the specified periods. Return battery to any Montgomery Ward location for service under this warranty. Evidence of purchase required in all cases.

Wards Maintenance-Free GO GETTER 60 Energy System!

Our new Energy System is a unique concept in batteries—it's maintenance-free! There's no caps—it's completely sealed. There's no loss of electrolyte. There's no need for service. It delivers more starting power than any other battery of equal plate area... for more reliable starts. Features solid 3-piece construction. Plates are permanently sealed and locked in over 300 places for better vibration protection, longer battery life. Read about our 1.50 trade-in above. See our 60-Month Limited Warranty statement above, which includes 24-Month Free Replacement. Find correct battery type for your car on page 707, Big Spring Book or measure your old battery and order one closest to that size.

Pacesetter® Electronic Cruise Control

SAVE \$22

KIT ONLY \$77 Limited time offer expires May 31, 1976

Pacesetter® can improve gas mileage from 10% to 20% the very first time you use it on the highway! Pacesetter is the only cruise control with a "computerized memory"—and it's the easiest to use. Simply sit back and dial your desired speed on the speed adjustment knob, push the engage button and then let the Pacesetter carry you at a smooth, constant speed. Automatically compensates for up or downhill driving and it holds your speed to within 2 mph of where you set it. Braking will disengage and accelerating will override the system; to resume cruising you simply press the engage button again. 100% solid-state. Easy installation, with step-by-step instruction book. Fits all vehicles with 4, 6, 8, 12-cyl. engine and automatic transmission. Was \$99 in Big Spring Book, page 774. May 31, 1976 is the last date for ordering.

SAVE \$30!

On in-dash mounted CB transceiver with AM/FM/FM stereo radio!

All these great features for only

\$219

See pg. 950 in Big Spring Book for CB Antenna.

Our best entertainment center has it all: Professional-quality 23-channel CB transceiver, FM/FM stereo radio, and AM radio—PLUS, we've combined all three systems into one compact chassis that will easily mount in-dash on your car! In-dash mounting provides far greater security as well as protecting your unit from driving vibrations. **AM/FM/FM stereo radio features:** Pushbutton AM/FM selector control; illuminated slide-rule dial; full-range volume/tone/balance controls; and built-in AFC control for drift-free FM reception.

The uses of a CB transceiver are endless, and whether used for business or pleasure it will add new dimensions of safety and convenience to your driving.

ing. CB transceiver features: Phase-Lock-Loop system which uses 18 integrated circuits to replace all but 2 crystals for full 23-channel operation; squelch control reduces background noise; indicator lights for transmitting and receiving modes; local/distance switch prevents overload; S-RF meter; automatic noise eliminator circuit; selector button; and slide tone control. Microphone and coiled cord, face plate, instructions, mike clip, under-dash mounting shroud, hardware, and FCC license application. FCC type approved. **NOTE: TO AVOID BURNOUT, THIS UNIT MUST BE USED WITH CB ANTENNA.**

SENSATIONAL SAVINGS AT WARDS!

100% SOLID STATE 19-INCH TV

CUT \$100
NOW ONLY 348⁸⁸

Experience your own
creative world of stereo recording

★ We've included 2 mikes and a blank tape for
"live" recordings or directly from AM/FM & lp's

Build your own great library of sound! Recorder/player has manual/automatic track selection and 4 lighted track indicators. Solid state AM/FM stereo receiver with FM stereo light and lighted slide-rule tuning. Full-size changer comes with diamond stylus, ceramic cartridge, light-tracking tone arm, and automatic shut-off after last record. Speaker system converts to 4-dimension (just order 2 extra speakers, Spring Bk., pg. 944). Vinyl clad pecan-grained cabinet with decorative portions of simulated wood. 60x25 1/2 x 16 1/2 in. deep. UL listed. 62 E 2096 R—Wt. 135 lbs. Was 289.95 Spg. Bk., pg. 941..... now; 199.88

We've built in all the
deluxe features you want

- ★ Solid state chassis means dependable operation and longer set life
- ★ Black matrix picture tube accents colors and provides sharp screen images
- ★ In-line electric gun produces more accurate and reliable color registration
- ★ One button Auto-Color sets color, tint, AFC, brightness and contrast
- ★ 70 position detent UHF tuner clicks in all UHF stations just like VHF

Now is the time to buy your 19-in. TV! You'll get outstanding savings plus top quality performance. Automatic Frequency Control helps lock in the best interference-free picture possible. Two VHF pole antennas and a UHF loop antenna bring in great station reception, in many areas, without the need of an outside antenna hook-up. Lighted numbers make channel reading easy. Rosewood finish cabinet of flame retardant, high-impact plastic. Front-mounted 3x5-inch speaker. 23 3/4 x 18 1/4 x 18 1/4 in. deep. UL listed. Was 448.95 in Big Spring Book pg. 932. 63 E 12946 R—Ship. wt. 67 lbs..... 348.88

Simulated reception on both TV screens
Both TV screen sizes are measured diagonally
