Dear David,

Thank you for your recent letter of invitation to attend the Bicentennial Celebration at the Garner-Hayfield Junior High School on May 25th.

While I greatly appreciate receiving your thoughtful invitation, I regret that my schedule will not permit me to be with you on this occasion.

I certainly wish to extend my personal congratulations and best wishes to all the students involved with the time capsule project as a contribution to our Nation's 200th birthday.

With best wishes.

Sincerely,

Dick Clark
